

2018-19 Weebly E-Mag Page

You need to create an E-Mag page on your Weebly. The purpose of this is to highlight the writing you are doing in language arts. This document is fluid; I will add to it as the year progresses. For now, please review the expectations below.

E-Mag Page Overview

1. **Title:** Give this page a unique title that relates to the theme of your E-Mag.
2. **Description:** Somewhere near the top of the page you need to write a description of what the content of this page will include.
3. **Picture:** You need to include at least one pic that relates to the theme of your E-Mag
4. **Mechanics:** Spelling, grammar and punctuation matter! Your posted material should be as flawless as you can make it; get help with this if you think you need it!
5. Should look like this:

The screenshot shows a Weebly website with a blue background. At the top right, there is a navigation menu with links for HOME, E-MAG (highlighted), SOCIAL STUDIES, HOME 2, and ARC. The main title 'Tales From the Water' is centered in a large, white, serif font. Below the title is a photograph of a person in a hat and life vest standing in a river next to a wooden canoe. The canoe is filled with gear, including blue bags and a pile of sticks. The person appears to be organizing the gear. Below the photo, there is a white text box with a blue border containing the following text: 'Welcome to my E-Mag page! Here you will find assignments that I have worked on in language arts, and all of these pieces have one thing in common: they focus on my love of being on and around water!'. At the bottom left of the page, there is a small blue box with the text 'POWERED BY Weebly'.
