

Weebly Social Studies Page

Create Social Studies Page

1. Create a “Social Studies” page on your Weebly (add as a standard page)
 2. Add the title “Social Studies”
 3. Add an image that has something to do with social studies
 4. Add a sentence or two that explains what will be on this page
 5. See [example](#)
-

On Your Social Studies Page, Create Current Events Section and Add Your Current Events

1. Add the title “Current Events”
2. Add an image that relates to current events
3. Add a sentence or two that explains what this section will include
4. Link all of your current events assignments (make sure to first download them as PDF docs!)
5. See [example](#)
6. Should look something like this:

Current Events

Here you will find some of the work I have done this year learning about current events!
