

US-Dakota War Work: Post to Weebly

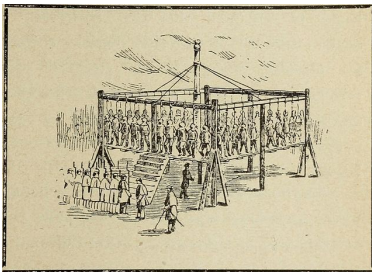

Now that you are done with your US-Dakota War assignment, you need to put it in your Weebly website. This work needs to go on your Social Studies page, and the following guidelines should be followed:

Prepare Your Documents

- **You need to make a new document for each separate article** in your US-Dakota War Work
 - a. Make sure the document is single spaced
 - b. Make sure to include at least one image (more is always better!)
 - c. Make sure the title and your name under it are centered
 - d. Save the doc as a pdf (it will appear in your download folder)

Prepare Your Weebly Social Studies Page

- Title the section US-Dakota War
- Insert a picture that relates to the War
- Write a 2-3 sentence paragraph that gives an overview of the War
- Divide the section into 3 clearly labeled sections
 - Before the War
 - During the War
 - After the War
- Put your work in the correct sections, and **for each one**:
 - Include a picture that has something to do with the article
 - Title
 - Your name under the title
 - The first couple sentences from the article in italics
 - A link
 - Each article should look something like this:

The Hangings
Mark Dallmann

When all was done, the largest mass execution in US history took place in Mankato... [Click here](#) to read more

Link Your Article

- Highlight the “click here” text
- Click the “create link” button (looks like a link)
- Click on “file”
- Click on “upload new”
- Find the USDW document you saved as a pdf in your download folder
